

Marin Conservation League Seeks New Treasurer –
Apply your Financial Acumen to Our Environmental Work!

MCL has a great volunteer opportunity for one of our members with financial expertise. If you've been looking for a way to get hands-on with MCL, this could be your chance.

The Treasurer is a key member of our Board who:

- oversees MCL's financial operations and investments
- provides monthly and annual financial reports to the Board
- manages MCL's annual 990 filing
- develops MCL's annual budget
- participates on the Executive Committee to assist with high-level org decisions
- interacts on a regular basis with our Office Administrator to review accounts receivables in Quickbooks and donor transactions in DonorPerfect

If you've got the skills above, a willingness to learn and adhere to MCL's reporting rules and operational policies, and 2-3 hours a week available, please contact:

Robert Miller, MCL President, at president@marinconservationleague.org
